

.creditunion Eligibility Policy

.creditunion is a restricted top level domain (TLD) that is only open for registration to credit union cooperatives meeting the .creditunion eligibility criteria. The aim of DotCooperation LLC (DCLLC) is to provide a namespace to identify verified credit unions.

The following are the primary criteria for determining eligibility for a .creditunion domain name.

- The organization is a democratically controlled member owned credit union cooperative, consistent with the International 7 Cooperative Principles; and
- Is a natural-person credit union; and
- Is legally domiciled in the United States; and
- Your .creditunion domain name registration(s) reflects your company name or trademark/brand, or derivative thereof.

DCLLC conducts audits of .creditunion domain registrations and reserves the right to cancel or modify a domain name in accordance with their policies. Refer to the [Verification Policy](#) to learn about how the audits are conducted.

DCLLC may update this Eligibility Policy at its discretion.
